5th ANNUAL PUBLIC HEALTH SUMMIT

In cooperation with
The Madison County
Health Department

Friday, August 27, 2010
GATEWAY CENTER
1 Gateway Drive
Collinsville, IL 62234

501 WEST LAKE ST., STE. 204
ELMHURST, ILLINOIS 60126
(866) 834-3301

5th ANNUAL PUBLIC HEALTH SUMMIT

SEMINAR OBJECTIVES

Pest Management, theory, technique, and regulation are changing rapidly in the 21st century. Even the nature of pest problems and the pest themselves are evolving. The Annual Public Health Summit will bring you up to date on current issues and trends in pest elimination.

Anderson Pest Solutions sponsors this seminar with the cooperation of the Madison County Health Department.

WHO SHOULD ATTEND?

- Members of Public Health Agencies;
- Environmental Health Professionals;
- Pest Management Professionals;
- Individuals responsible for pest management training and supervision;
- Anyone responsible for food protection, vector control, property inspections or pesticide regulation.

ENROLLMENT / FEES

Space is very limited and fills quickly. Paid registrations will be accepted on a first-come-first-registered basis.

This seminar will yield 6 hours of training credits for IDPH and LEHP.

Cancellations received in writing before August 20th, 2010 will be refunded.

Your cancelled check is your confirmation and receipt.

You may also visit us at AndersonPestSolutions.com and register online.

Registration Fee (includes lunch):

Public Health Officials: \$40.00

All others: \$120.00

CERTIFICATION RENEWAL: This seminar has been approved by the Illinois Department of Public Health for re-certification of Certified Pest Control Operators in Illinois. Individuals certified under the Illinois Structural Pest Control Act must attend the entire seminar to be eligible for re-certification credit.
